

RVP needs your help!!

One of RVP's main aims is to restore and operate a full LNER Gresley teak train on the Great Central Railway.

To date two vehicles have been restored and we are seeking donations and volunteers to help restore the next vehicle; Tourist Third Open Carriage number 23981.

23981 was built by the Birmingham Carriage and Wagon Company in 1936, and remained in service until 1965 when it was converted for use as a departmental staff coach. The vehicle is now the subject of a restoration to full varnished teak livery.
